Certified Compatible

This is to certify that Focus SB products are fully compatible with Theben AG KNX and LUXORliving building automation solutions.

This compatibility certification is based upon an evaluation by Theben UK using a wide sample of Focus SB products. All were installed in test and demonstration environments connected to multiple Theben output and control actuators for lighting switching and dimming. Delivered January 1st 2023

Delivered by:

Paul Foulkes MSc MIET

KNX Business Manager Theben UK

KNX UK Association Co-chair

All Theben AG product carry both the UKCA and CE certification
