Plate Care Instructions

This finish is protected by a Clear Electrophoretic Lacquer. These plates must only be cleaned with a wax-based polish applied with a soft, dry cloth. Under no circumstances should abrasive/solvent polishes or paint removing solvents/treatments be used. Under most conditions the electrophoretic finish guarantees full protection.

Fitting of Products

Installation on wet plaster or paint should be avoided at all times. All electrical products must be fitted by a fully qualified electrician, failure to adhere to this will void any warranty on the products.

Bespoke Accessories

Focus SB can produce and manufacture bespoke accessories including combination plates and various multi gang plates to meet your exact requirements in this range please contact one of our product consultants for further details.

Interiors

Focus SB utilise various suppliers for the interiors which are supplied with their plates, predominantly used in this range are:

Power outlets and switching modules: Focus-SB LTD

All interiors in this range are designed to run on British Standard 240v current. Non-UK standard interiors are available upon specific request, please contact one of product consultants for further details.

Standards Conformance

All switches are designed and tested to BS EN 60669-1 and are suitable for UK metal flush boxes to BS4662. Boxes, plates and grids must be earthed and if fitted outside the UK permission/approval must be obtained by the local or national electricity supplier and/or approvals authority.

13 amp sockets conform to BS1363

5 amp & 2 amp sockets conform to BS546

All products are CE marked and comply with EU safety and EMC environmental where applicable.

All products supplied by Focus SB in this range in compliance with The EU REACH Directive No 1907/2006 with respect to Substances/Chemical classified as SVHC

Warranty

Interiors: 12-month manufacturer warranty against product fault

Plates: 12-month manufacturer warranty against product fault

Country of Manufacture

All Focus SB products are made and produced in England at our factories in St Leonards on Sea.
