

ALISSE ACCESSORIES BY FOCUS SB

Alisse Focus SB collaboration

Focus SB brings more than 40 years of industry leading expertise and craftsmanship to a collaboration with Lutron to create an extensive line of accessories to match Alisse wall controls. Offering a sophisticated finish palette that complements other decorative elements within a home's interior, the Lutron Signature Metal Collection is exclusive to the Alisse family of wall controls and complementary accessories by Focus SB. Alisse controls work seamlessly with Lutron HomeWorks.

Alisse accessories by Focus SB are hand crafted in Lutron's Signature Metal finishes, creating the perfect complement to Lutron Alisse wall controls. A complete accessory line-up allows design without compromise.

Alisse accessories by Focus SB

The Signature Metal Collection is curated to coordinate with a range of interior styles. These handcrafted metals are available in polished, brushed and painted finishes.
